

## Biographical notes

### Marie Saulnier

Head of Organizational Development and Transformation

Since joining the Foundation in 2017, Marie Saulnier has been supporting senior management in its process of organizational transformation based on the Foundation's priorities and guiding principles.

After obtaining a bachelor's degree in psychology and a master's degree in human relations from the University of Sherbrooke, Ms. Saulnier completed complementary courses and training sessions at HEC Montréal and Laval University, among others. She has amassed over 30 years' experience in organizational development, working first as a consultant and in the health care network before joining Hydro-Québec, where she worked in different sectors, with over 20 years in management.
