### Julie Bérubé

Vice Chair of the Board

Julie Bérubé has been actively involved with the Foundation's Board of Directors since October 2024 and now serves as Vice Chair of the Board. She is the granddaughter of the founder André Chagnon.

Julie obtained a degree in fashion design from Lasalle College in 2000 and has pursued a career in fashion ever since. From the very beginning, she has been aware of the exploitative trends in her industry and has fiercely distinguished herself as an independent designer, prioritizing sustainable sourcing and manufacturing practices. She contributes to the visibility of the LGBTQ+ community through her fashion shows and visual projects, firmly anchoring her work in local and international queer and underground communities. From 2009 to 2012, she worked as a coordinator in the management team at the Lasalle College School of Fashion.

Julie lives in London, England, with her two children. She is currently pursuing a degree in social sciences and development at the Open University. In her free time, she enjoys traveling the world in hiking boots, reading, and watching B-movies.
